SWIM-PRO™ SERIES
COMMANDER F-1655

Inspired by the success of the Swim-Pro F-1325, the Commander F-1655 features both therapy and bench style seating with the addition of the Cal Spas Exclusive Vertical Hydrossage™ station. We invite you to get well and attain fitness! Our swim system features 2 Rip Current Jets on top providing smooth upper body resistance, while the lower 3 Power Stream jets provide added resistance and lift, making this system perfect for swimmers looking for the perfect aquatic workout burning calories and increasing muscle mass. Over 11-feet of unrestricted fitness area allows for intense treadmill swimming session which keeps the swimmer in place. The spa is large enough for a group up to 12 with contoured bench seating. Do not underestimate the power of the Jet System V which is powerful enough for EXPERT level fitness swimmers!
